

Press Release – June 2010

Linden Bulk has been awarded the following prestigious honors by the National Tank Truck Carriers (NTTC) organization and the New Jersey Motor Truck Association (NJMTA) for outstanding safety performance during the past year. Safety is a critical component in all aspects of our operation – from our rigorous equipment inspections, to driver training, as well as documentation preparation and review. In accepting these awards, Linden acknowledges the invaluable contributions of our colleagues who recognize safety as a top priority.
